“ *I am heartbroken at the loss of my friend and classmate, Greg. We were always running into one another in town at Sierra's, Walmart etc. He was always sharing his latest album find and we would talk for the longest about how things were going and what we'd been up to. Greg had a magnetic personality and was such a joy to talk with. He was well-versed in so many different subjects. My heart  goes out to his family and loved ones. RIP Greg and may the Lord comfort your family and friends. You will be forever missed!*
