“ Jeannie, Leneta Hopper Pender here ~ just looking at the photo of Harvey, Doug and I said almost simultaneously, "Ah, I can see resemblances of Carthel & Teenie there!" We passed your houses recently and thought of the times of fellowship and good food and laughter, and how as friends we see our joys doubled and our sorrows halved.

...Time moves in one direction, memory in another, and the past beats inside us like a second heart. So we trust the Savior's promises to hear our silent cries for His mercy and compassion.

Our love,

Douglas & Leneta Hopper Pender
