“ Sorry to hear that Harvey has left us for awhile but may your faith bring you comfort and peace and the knowledge that we can all be together again.

I always enjoyed seeing Harvey and Sadie when they came to P.E.I. for a visit. When I was a wee girl Sadie was like my big sister and so loved her dearly and so loved Harvey also as he was part of Sadie's life.

My prayers are with you all at this time.

“ Uncle Harvey was always a sweet heart of a man and always told us he loved us. I never knew of a time when he wasn't smiling and showing kindness. I loved him dearly and always will.
