“ I will always remember Hildred for how she helped me in my early days of marriage. I was at their home on the river when I first felt our baby move. She came over to help me after Chris was born. She was with me when I first gave our son his first bath. She loved Chris so much!! She was a wonderful cook and we ate many meals at their home. She taught me how to cook venison every way imaginable. It was a joy to watch her when she caught a fish. She loved going to LMBC church and was loved and had many friends who loved her! Hildred you will always hold a special place in my heart and I will miss you! Terry and I love you and we will meet again someday!! ❤️

“ Dear Rodney and family, please accept our most heartfelt sympathy in the passing of Hildred. Words cannot express the sorrow when one loses a life long companion or one that gave you life. As a friend, one can only pray and assure you that we stand beside you and are there for you in case of need. We love you.
