“ Theresa, Tara and JC you are all in my thoughts and prayers. I wish there was something I could say to make it better, but I know that isn't possible. I will be praying for all of you, and the rest of her family and friends.

There will never be another like her she was a jewel. She was like a second Moma to me in high school, and we were playing ball. So glad I came and saw y'all. I love you all so very much.

“ *Jackie is my dear sweet aunt. The rock of our family. She always made me laugh. There aren't enough words to say how wonderful she was. To say she will be missed is an understatement too how we that knew her feel & too say we loved her is not enough because we loved her so dearly. I pray I will see her again in heaven. Our little Jackpack may you rest in peace.*
