“ *Tony was a good friend and coworker at NASA. He was a very kind hearted Christian man. He helped all of us in so many different ways. He entertained us with his music and singing. He was proud of his family and children. He was a hard worker and a good teammate. He was always early for work and stayed late. We could always count on him to complete any challenging task. We only have good memories of him and we will miss him greatly. Thank you God for sharing Tony with us!*

Ah, so sorry. Wanted to meet him and hear his calling one day. Guess I'll have to wait to hear it in Heaven. Colossians 2:5
