“ Kenny, is one of the most honest guys I've ever met. He blessed my husband and I with two beautiful Frenchies. I'm blessed to have known him and to have seen him one last time when I picked up my baby girl, Luna from him before he and his beautiful wife flew out to Houston. I would always tell my husband and father how great of an individual he is. One of the most amazing things, is how he got his life and family in order before his passing. He was truly a great guy and will be missed by many. I'm still in shock that he's gone. From the Newton family, to the Capshaw family, my heart is with you all. Love, Tisha Newton.
