“ They say share a memory, well I have to many to share. I was thrilled to be Sherry's maid of honor at their wedding. We had a blast even though it was cold. Dwight was a darn good man, behind every good man is a good woman. Dwight was a joy to be around, he kept you laughing and he would keep the straightest face when he told a joke. The last visit we (Daryl and I) had with Dwight and Sherry was so nice and pleasant. We played cards until late. Daryl and Dwight put on their dusters and hats and all of us girls (Sherry, Stacey and I) took pics. Sherry you could not have picked a better man for him to have spent the rest of his life with. You both have been in my prayers and you will remain in my prayers.

Dwight was my 3rd cousin and always a friend. I remember living behind them as a child & playing with him & Ann. He built our barn when we moved back up here & we got to know him better and will always remember him as an honest and good man. My sympathy goes out to Sherry and his grandsons, Ann, Tommy & Deloris. He will be missed by many because he made a lasting impression on people. See you in heaven Dwight!
