“ Sending our love and deepest condolences to Dyris, Deena, Kevin, and all the family. I spent many fun weekends in the Johnson home. Bro. Harold had a wonderful sense of humor and their home was always full of love and warmth. One of my fondest memories is of biscuits and cocoa on Saturday morning! And the one summer he took a truckload of teenage girls to an old, dilapidated house we thought was abandoned- and scared us to death! Sweet mountain memories. Praying for God's comfort as you go through this difficult time. You are in our hearts.

“ *I am so sorry for your loss... I know that he will be missed greatly.. He was one of the best men that I ever knew.. Always willing to lend a helping hand to anyone in need.. I can remember many nights when he and Tommy would go coon hunting.. He would tell me stories about them while they were hunting that made me laugh so much.. Now they can sit and talk hunting together again.. You and your family is in my prayers.. God Bless you...*

“ *Some of my fondest childhood memories were spent in the home of Harold and Dyris Johnson and their daughters. Harold and Dyris were always up for a good prank and we have some good ones we will always remember. I always looked forward to Dyris' homemade biscuits and chocolate gravy. I remember getting Harold laughing so hard during a church service one time that he had to walk out the back door to regain his composure (shame on me)! Harold was a good man and was always good to lend a helping hand. My sympathy and sincere condolences go out to sweet Dyris and Deena/Kevin and their children. Harold will certainly be missed by many. You are in my thoughts during this very hard time. -- Suzanne Spanogle-Bowen*
