“ So, sorry to hear of Nolen's passing. He will no longer live in this corrupt, painful world. He has no pain, now has all his facilities. We were school mates and graduated in 1961. He was quiet but very smart.

Enroute to his Heavenly Home, God brought him through many serious surgeries. some which the doctors thought he would not make it! Good testimony, God is our Healer, he is the doctor in charge.

He was a good Christian man. Until, recent, he keep me abreast of everything happening in Arab, especially deaths and just "going on things in Arab!" He will surely be missed by many.

Years passed, he would help anyone with anything or knew someone that could help.

He and Peggy visited many people due to sickness, hard time, didn't matter. He was a powerhouse of information. In talking one year, I was complaining about my tomato's. He gave me a tip, which I have used every year. It works , not only on tomatoes but most of your underground plants.

Again, so sorry for your loss...

Peggy and family..When someone, you love, becomes a memory, the memory becomes a treasure. My Prayers are with , each and every one, as you cope with such a heart breaking loss.

Condolences to all....
