“ My fondest memories of Jim were seeing and hearing him singing in the church that we all loved dearly. In my life growing up I did not have Very many male role models I could look up too except for Jim and a few others at church. I will always cherish knowing Jim and his loving family and will personally miss him. I love Kathy, Shea and Brandie, my heart goes out to all of you.
With love, Chris Cravens and family

“ I had the pleasure of working with Jim at Chrysler. I was heart broken to hear he became ill and even more so with his passing. I can't say enough good things about him. He was such a kind, friendly man and loved his family. He would always smile and never had a bad thing to say about anyone. He would tell me stories about his family and brag on everyone. My heart felt sympathy to his family and friends. You are all in my prayers. May God bless Jim and you all.

Sincerely,
Kelley Lovell

“ Jim would quote this while walking up behind me, " Hey big man, let me hold a dollar " then usually followed by some of his own wit and always a big smile. Great guy and so relaxed when we competed playing golf. He took care of our golf league for several years with pride and his own unsung accomplishments. Rest easy Big Man. BC
