Jim was such a good friend to so many at the post office (work), and was very generous and kind in helping people. It was so evident his love for Harleys and also he loved getting away to Pigeon Forge-Gatlinburg area! He was so very brave going through his kidney transplant and we were all rooting for him to do well. He came to 2 bike/car shows at our church to help contribute to my mission trip to Nepal. We'll always remember his sense of humor and how much family meant to him, he loved his grandkids!! He will be sorely missed! Prayers for you Marti, Jason, Amanda and family! May God give you peace, comfort and strength. 🙏

“ Martha, may God wrap His loving arms around you and bring you peace during this time of transition. I know that you are going through one of the worst things possible at this time and I shall be praying for you. If you need someone to talk to I am only a call away. I hope to come up when my husband recovers from Thursdays surgery. If I do, I'll contact you and we can get together. I love you. Patti
