“ I first met Jim when I moved up to Huntsville in 1982. He quickly became a good friend of mine. We worked on many projects together over the years and I was always impressed with his strong work ethic. He was one of the team members who helped us greatly over the years. He was a fine gentleman with a smile always on his face.

It was an honor to have met such a great man – he truly was a wonderful person who we will miss greatly.

“ I have so many memories of Jim that I can't possibly share them all. Jim was my best friend, as I am sure he was to many others, and I will miss him. I have know and worked with Jim for over 30 years, and a better friend no one could have. His family has my deepest sympathies.
