“ *So many precious memories with James. I think he actually lived with us for a time in my early early years. My daddy thought of him as a cousin-brother and James was there for my daddy in the end. I know these two are together again in Heaven. I bet when James saw my daddy he looked at him with that sideways grin and said, "Hey Doc!" and I bet my daddy gave him a big old smile right back. Stella, Tammy, Rayburn and all other relatives, you are in my thoughts and prayers.*
