“ *I remember when we used to go fishing together all the time. We were catfishing on the wall at Guntersville Dam when he hooked the biggest CATFISH he and I will ever remember. The catfish was a Blue Cat and He and I knew it had to have been at least 80lbs. I still have the scar on my wrist from it. It was a monster.*

*Angie, Nathan and Glenda, I'm sending my love and condolences. Any time you lose a family member or best friend or just someone you love is a hard thing to deal with. I pray for comfort and peace to each of you. Just know he is no longer in pain and is at peace with the world. If any of you need me I am a phone call away. Please don't hesitate. I haven't seen Eddie out in a while but when I did he was always smiling. That is the memory of him that I will always keep close.*  
*Love, Debra*
