“ *Derek and Pamela, I was so saddened today when I called to check on Janet. Derek told me she had passed away. Please be assured that your Mom was a very special lady and was loved by so many. Your Mom and Dad held a very special place in our hearts and will always be remembered as being very thoughtful and caring. May God give you peace and strength as you go through life holding on to their memories.*

*I have fond memories of Janet that date back to my very early childhood. She was one of my favorites and always full of laughter. She and I talked a bit in the past few weeks about some of those good times. I remember staying with her some when Gary would have to go on TDY just after they married. We would have a fun evening. She and Gary were SO proud of their children. I remember her coming by my home on the way to have their pictures made when they were still in car seats to show me how cute they were. Gary was a fine man and Janet was one of the most thoughtful people I have known. I'm glad they found each other and had 19 years of happiness. She never missed a holiday card, or encouraging words during hard times. She kept her humor until the end. My sincere and deepest condolences to Pamela and Derek and the rest of the family. Janet will certainly be missed.*

“ I am very sorry to hear of the loss of Mrs. Sutton. I won't pretend to know what you're going through, but what has helped me deal with the loss of those I love is turning to the Scriptures, something that has been a real source of comfort. One Scripture that gives me hope is John 11:25, which says, " Jesus said to her: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." I hope that this verse will also comfort you and; I hope you and your family can get through this difficult time. Please accept my condolences for the loss of your beloved mother. Sincerely, Meryl.

*To the family, my heart aches in your lost. I use to work with Gary back in the MICOM days. Janet was the secretary accrsos the hall from my office. I recall them first falling in love, the courting and then the marriage. Janet always liked Thanksgiving and Christmas parties at work....she cooked many sweet things for the Christmas parties. She was a sweet lady, always kind and considerate. The same for Gary. Now they are together again, no pain, no suffering...just peace. It is hard for those of us left behind, but for those who know their destination, joy awaits. Children of Gary and Janet, do not be dismayed, never give up on God.always seek Him first and everything will come into place. God never said life would be easy, but he did send a Savior and a Comforter, the Holy Spirit. I and my family are praying for you. May the Grace of God tocu your hearts, Jesus give you hope and the Holy Spirit peace... Sincerely, Willard Kistler Jr. HSV, AL*
