“ *Jason was a very good friend and always did a an excellent job removing trees and trimming around utility lines at the plant where I work. I always enjoyed shooting pool with him even if he usually beat me. Jason really helped me get through a difficult time in my life. I am so sorry Kim. I just found out about his passing today. God speed and most of all I will miss my friend Jason.*”

“ We will miss Jason. He once gave us a tree face for the only tree left standing in our yard. He laughed that for every tree he cut down for us, we planted a new one to keep him in business. He was honest and professional, yet very personable. We considered him a friend. May God give his family and friends the peace that passes understanding. Rest in God's peace, Jason.

“ I thought a lot of Jason. He was a good man and a great uncle to my girls. I'm not sure why but Jason was on my mind the past few weeks. Just wondering how he was doing I guess. It had been so long since we had seen him. My heart goes out to his wife, children, and grandchildren. He had a beautiful soul. We haven't seen him for 8 or 9 years but he was thought highly of and he will be remembered in kind. Another great man taken too soon.
