“ You were the sweetest and happiest lil star that I had ever known for such a young girl. I know I did not have the pleasure of knowing you long or being in your life for long but you made it better and brighter! We loved having you over to play and sing to us and will forever miss you! You were taken away too soon, you had so many more lives to brighten! But fly high sweet angel and your song and smile will forever be in my heart! We love you ❤️
