“ It was such a shock when I received the news of Jeff's passing. I was at a complete loss of words. I have known Jeff my whole life. We were childhood friends. Our parents would play cards on the weekend and us kids would sleep on pallets in the den. We had so much fun playing. I remember at a very young age being teased that Jeff and I would be getting married after high school. I will always remember his smile. I pray God will bring peace to the entire Shaddix family. Love to all.
