“ My brother, mentor and friend Jeff was always just a call away to help obtain a spiritual blessing in which his servants heart and calling showed in everything he did. He was a prime example of "if you couldn't say a word, would people still see JESUS in you?" So YES! We could!

“ Jeff holds a very special brother in Christ.
Every Christian conversation he and I had never included any debates or selfish beliefs.
They were genuine and heart felt and they were never interrupted by any outside spirits.
That's how I knew we were in the presence of the lord and that he had the favor of God upon him.
The day he retire from Boeing I always held on to those conversations.
He was my friend as well as my brother in Christ, I will truly miss him.
