“ *I hate the fact that I'm JUST NOW hearing of this! What's weird is I found the post by googling my own name, Jennifer K. Johnson! Jenn and I worked together at Walmart in Arab years ago and she always brightened my day with a hilarious joke or just a kind smile of comment. The world will definitely be a darker place without her light to brighten it up.*

“ *Jen was my very best friend's daughter. We grew up together in Ia. My kids and Dee's kids were raised as cousins. She was my niece. We butted heads but she knew I loved her. Fly high Jen. We love you.*
