“ Smalley family, thinking of you today and in days ahead. What tremendous friendships our parents shared! Jerrel lived a life of labor, stewardship, laughter and brought much joy to all those whom his path crossed!! The meetings, fellowship and the many miles shared by a special group of friends in the agriculture community was truly a blessing. I'm sure they are having a board meeting upstairs with all new business and no worries of poor crop yields, low livestock prices or good ol' politics!!! Earthly and eternal friendships are the best! Ms. Louise, what a tremendous family and life you two built. I hope that the labor, laughter and joy of serving your fellowman that Jerrel had, continues to be passed down for many generations to come!!! Until we meet again.....
