Jerry Lee, if I would have known I would have been there for you like you were always there for me & my children! You were always a wonderful person never being selfish always thinking of others. It was such a sweet blessing to have you as a best friend we always laughed and you cheered me up even on my worst of days you found a way to get me out of the rat race of life struggles... you even would go to Chucke Cheese with the kids and I we'd go to the park and play tennis slide and swing anything to make the kids happy and no drama. .. I remember helping take care of Mrs Johnson she was such a charm there was never a dull moment I still have the Mother's day card you made for me from jail in my bible I will never depart with it. You were and will remain my best friend for life I miss you Jerry Lee Johnson I tried for several years to contact you but couldn't find you I will come visit your grave I'll miss you always love your friend forever Tracey Owens
