“ I would like to thank the family for all the photos. I graduated with Joan and Jean in 1961. Due to living in Huntsville, I sorta lose touch with all my friends which graduated with us. Although, I never forget them nor all our wonderful memories we shared. When a graduate friend passes, it takes me down memory lane. In saying this, I know I will take the same journey at some point in my life. Roger and beautiful family, I am so sorry with Joan's passing. May God give you all Peace during such a sad time.

“ My Sympathy extends to all Joan's family. I have so many memories of Joan and Jean from school. We graduated together. They were both so sweet and caring. Left earth much too soon. She took a trip we will all take sooner or later. Her was too soon. Mother always reminded me, "You cry at birth and rejoice at death!" I could not understand this till I grew older. Now I understand! My friend, enjoy Heaven and we will meet you again. To the family, May God give all Peace and Comfort during this time, only he can do.
