“ *Not long after her son Mike and I got married I had started my job at SCI in Arab. I had went to her house to get ready for work. She had asked me what I was taking for lunch. I had told Maw Maw we really did not have anything I could take for lunch. She said " you just hold on a minute now". She went in her kitchen and fixed me the biggest lunch. She put a pumpkin sweet cake with the smile right on top. That is the way I remember her and I so miss her. Love you Maw Maw.*
