“ I just learned of the passing of Joe. He was a precious man. We met Joe several years ago and fell in love with him. He watched over my sister all the time he was at Smyrna Towers and he will never know how much I appreciate that. I talked with her today and she just recently found out about it and she is still devastated. You all will be in my thoughts and prayers. We know where Joe is and will look forward to seeing him again. God Bless you all.
