“ *My deepest and sincere condolences to all of John's family. I spent a LOT of days during my younger years at the house and farm with Joseph, Mark, Jenny and John, and really grew to love this family. Very sad to hear of John's passing at such an early age, and just months after Joseph left us. I know he fought hard and battled over the past few years, and that he is now in a much better place. We will be praying for the family during this sad time. God Bless all of you! -Mike & Jessica Maples (Aiken, SC)*

“ Yesterday we spent talking about John and we laughed at all the funny memories. John wearing his grandad’s shoes- his first truck - riding the dirt bike - shooting fireworks- trips to gulf shores and Guntersville State Lodge.
This world is a happier place because he was here.
I know Mary, Joseph and Howard were there to meet him as he made the crossing - and I think Joe was there as well.
Our love to Jennifer and family,
