“ I will never forget the kindness of Bro. John and Sis. Jean allowing me to spend time with them and their family on their farm. Bro. John showed me the Joy's of eating slimy 'oakra' and loved my reaction to a 'persimmon'. (both were foreign to a Northerner!) The most outstanding thing they did was to put boards down in their front yard spelling out ' I Love You' hoping we would see them when my Dad buzzed their farm with his plane. The very most outstanding thing Bro. John did for our family was a witness of the truth of the Message of the hour. The truth has set us free and is a lasting testimonial not only here but for all eternity. Thankyou Bro. John for a life well lived!
