Tribute Wall

“ Dear Shumate Family: I am so sorry to have read of your loss. Please accept my sincere condolences. I would like to share something that I have personally found to be of great comfort. It is found in the Bible at John 5:28,29 and Revelation 21:4. These verses tell us that soon God is going to bring about a resurrection of our loved ones as well as do away with all causes we have for suffering, including sickness and death. Knowing this has always comforted me and it is my hope that these thoughts comfort your family also.

“ I have many fond memories of Johnnie. We were neighbors. He was my brothers best friend before my brother passed away in 1988. We had a lot of fun together as teenagers. We were a bunch of country kids growing up in the good ole days when friends were like family & you were always happy to see each other. My prayers go out to his family & friends.
