

## Mrs. Joli Melinda Jett

August 5, 1971 - April 14, 2023

Joli Melinda Jett, loving wife and mother, age 51, passed away Friday, April 14th at Crestwood Medical Center in Huntsville, Alabama. She was born on August 5, 1971 in Arab, Alabama, to Austin Whisenant and Margie Brown. Joli was a CCMA for around 6 years at SportsMed Medical Clinic where she cared deeply for her fellow co-workers and treated her patients like family. Prior to her 10 year medical career, Joli was a skilled veterinary technician for around 20 years taking care of animals, which has been her passion since childhood. She was a resident of Arab for 7 years and prior to that her main residence was in Morgan City.

Joli was a caregiver through-and-through, not only to people, but also to animals of all kinds. She grew up loving horseback riding, fishing with her Pa, and always had a special love for monkeys, horses, and dogs. She never met a stranger and always had the ability to make everyone she was around feel like family. Her laugh echoed through a crowd and her smile was contagious. Joli had many friends, but she always made sure her family was top priority.

Joli is survived by her loving husband, Chris Jett; father, Austin Whisenant (Lynn); brother and sister-in-law, Scott and Kim Whisenant; sister, Lori Whisenant McClellan (Frank); daughters, Hannah Lenters (Robert), Kari Jett, and Caitlyn Shook (Keelin); sons, Cade McElroy and Brandin Stout (Lisa); nephews, Kaleb Whisenant and Jake Whisenant (Chelsea); Grandchildren,

Anisa and Zachariah Stout.

Joli is preceded in death by her mother, Margie Brown Beck, step-father Carl Beck; grandparents, Edis and Martha Ann Brown and Earl Lavon and Mary Whisenant.

A visitation is planned at Brindlee Mountain Chapel Funeral Home in Laceys Spring, Alabama on Saturday, April 22, 2023 from 12:00-2:00 p.m. with the service following at 2:00 p.m. The service will be officiated by Mike Prince and Brother Frankie Flack.

“ To my beautiful cousin. The sun hasn't shown quite as brightly since you left this planet. It's hard to believe one of the "Original 6" is gone. We kids tore that mountain up didn't we girl! We roamed MawMaw and PawPaws property like a bunch of feral animals. 😭 I'll never forget your beautiful, smiling face. See you on the flip side. I love you ❤️

“ *You were my person. We laughed through some difficult times together. I will miss our "Bestie Breakfasts". You could always make someone feel better when they were down, confident when insecure, and most of all, loved. You put everyone's needs and feelings before your own. I love you so much and will miss you immensely.*

“ Joli has been my niece since I joined her family before she was a year old. I have loved her for all of her 51 years. Her compassion reached the highest level with being an organ donor. Serving others was a life long trait. She will be missed but she will always be remembered.
