It's been many, many years since I've seen Joe, Tempie, and Gina but I've thought of them often. I asked my mother, Norma, just recently whether she had heard from old friends in Alabama and she said that she had lost track of Tempie and Joe. She will be extremely saddened to hear of Joe's passing. Looking at the photograph of Joe, he looks just like I remember him...only a little older. I would like to offer my sincerest condolences to Tempie and Gina and to the rest of the family. God Bless You.

“ *Amazing Grace, how sweet the sound!
Heaven has another beautiful voice, Papa Joe will be greatly missed here on this earth by so many friends and relatives but we all knew he was tired and what a reunion he had when he met the Lord. Rest in peace until we meet again Papa. Thanks for the memories with the girls, Minnie and Brandy*
