“ Since the first day of 1st grade at Union Grove Elementary School in 1965, Joseph and I have been the closest of friends. Inseparable buddies that did everything together until my family moved away in 8th grade, and even after being apart, stayed very close. LOTS of Alabama football games (and talks), LOTS of great phone conversations and visits when I went back to the North Alabama area. VERY HONORED to call this man my closest and longest-lasting friend of my life. What a man! Huge heart, extremely unselfish, a giver in every sense of the word. It was never about him -- but those around him. He finished the race ahead of me, and made it home first. But I'm not too far behind, and will join him again some day. Love and grace to Joseph's family and friends who -- like me -- will miss him dearly until we are reunited for eternity. Rest in Peace, Brother!! -Mike Maples (and Family)
