“ Sister Faye was always sweet to me as a child. My mom and dad really didn't have alot of money, dad was the pastor of a very small church in florida and we didn't have nice clothes. I didn't think much of it. I used to live visiting with Jimmy and Shelia over the summer and v ride motorcycles over at the Elmore. Well Sister Elmore would go shopping and buy me nice new clothes. She is a precious soul and I never will forget her doing this for me. She is the only one in my life that ever did that and i will never forget her sweet soul and much appreciated generosity. You made my heart glow with joy. I will never forget you and I'll always sing your praises. You are loved. Thank you for touching my life.
