“ Hi Joy,

I visited with Ann today at Regency and learned that Juanita passed away last week. I am so sad that I did not know. I would have attended her service. I once had relatives at Arab church of Christ and Juanita and I shared mutual friends there.

I loved Juanita and Boats and Ann too. I would enjoy talking with you when you are more prepared. Of course Ann does not always have awareness to let me know of circumstances affecting the family. I am so sorry for your loss.
