“ To the family of Judi, I am so sorry to hear of Judi's passing. I met Judi a few times in various meetings across the U.S. in 2 or 3 decades ago. I retired from Ft. Monmouth and we went on our separate ways. Judi lightened up every meeting with her humor and lovely personality. I am so saddened to know of her passing. She had so many years of good life left to be with all of you. Judi was awesome to me, Al Franklin.

“ Judi you were my baby girl I love you so much. My heart is broke my days are filled with thoughts of you and that you should still be with us here on earth. This is not how it is supposed to be. God need a beautiful angle and he chose you. (my angle) You will forever be Loved and missed until we meet again. Love Mother

“ My sincerest and heartfelt condolences to the family. You will be missed Judy. It still seems like a dream that you’ve been summoned to Heaven but God wanted you more. He has gained another angel. I will always remember your contagious smile and your kind heart. Always keeping it real. My son and I were reminiscing about you the other day. He remembers your bubbly personality and your willingness to always assist when he worked at LOGSA as a summer hire. You’re in the best place ever now. Your light will continue to shine in Heaven. 🙏❤️😘
