“ 'Judy was simply the most caring soul ever! Many memories ! One of the first she sat at my dining room table talking iof her then baby girl Sunda! Whom I babysit for the nxt 5 years. You would have thought she was a long lost friend. She admired and complemented me while trying to find a place for Sunda to stay while she worked. She was always like that finding the good in others. She Loved without judgement! She will be a light that will shine in everyone who eve knew her. ..
