“ Kathy and I were friends for about 40yrs. and she was truly what the meaning of a Christian woman was. I never heard her say a bad thing about anyone, and most of the time she had smile on her face. I remember when she had Lisa. Both Spanky and Kathy were over the moon and now when both Kathy and Lisa were adults, they looked so much like each other. We spent a lot of fun times together, too many to tell. The trip to the holy land was a very special enjoyable trip for her. When they got back you could almost hear the happiness in her voice. It was like I have saw where you walked Lord and I know it won't be long til I am in heaven with you. I will always remember her as one of the best friends I have ever had. Heaven has a very special ANGEL now and now she can rest from all the pains of the past.
