“ You came into my life and I wasn't sure what to expect  
But you quickly gained my trust and a man that I learned to respect  
I know there are many things you didn't even know  
Like how much I appreciated you being there to help me grow  
The other night I was going thru some old pictures that mean a lot to  
me  
You were in a lot of them like this picture above for all to see  
You were there when things in my life seemed very scary  
You were there when my husband had asked me for my hand to  
marry  
You were one of the first people to hold my newborn child  
You looked down at her for the longest and just smiled  
I just can't believe you left the world an Auburn fan  
Man I just knew somehow we would turn you on to Saban  
It's not going to be the same without you this season  
I know the Lord took you and had His own reason  
My heart hurts for my brothers and sisters because they lost a great  
Dad  
It doesn't seem real and we are all very sad  
Jesus assured me that you were with him at the throne  
Because I was mostly upset thinking you died alone  
I know eternity for you has already begun  
I just wanted to say thank you for all that you had done  
See you soon enough because I know this is not the end  
Thank you Keith for being my step dad but most of all thank you for  
just being a friend
