“ *Kenny was a high spirited man. He was also very sensitive too. He loved his children to the end. He was a great uncle and he loved rocking the babies. Kenny was intelligent, witty and had a great sense of humor. He could talk 90 miles an hour with out distress. He'd then laugh that contagious laughter. Kenny never forgot the people that past before him. He longed to see them again. yet, he loved his family here on earth. I will miss our 6 month touch base phone calls. When I think of times gone by I think of me, Kenny, Susie, Baby Sasha, Kenneth Jr. Darrel, and Jim driving. We all stuffed into a van with no air, going fishing. We never caught one fish. Thank you Ken-rod! You were loved by me.*
