“ *My prayers and thoughts to all the family of Kristy. Kristy will always be remembered in my mind and loved in my heart, as the little girl who always sat with me during her brother's ballgames and at ball games as a strong young mother going through a hard time with a such forgiving and loving heart. I said her ability to love and forgive was much greater than my own. My heart is just broken for you and with you all. Much love and prayers! Find your peace and comfort and fill every void in Christ Jesus!*
