“ I guess my favorite memory would be of us kids running around the tent at the campground when we were so full of energy. I’m guessing we bumped the tent and he sit us all down for a good talking 😭 This man was such a huge blessing to so many. Him and Mrs. Dorothy were really good friends with my parents and I thank God for being that close to them all my life 😊🙏❤️👍 I love all y’all and praying

“ I, hear, people say, time will ease your pain, not true. Only thing times does is make your pain more bearable. Nothing, I can say, will ease your, nor, your family's pain , but, I am forever sorry for your losing someone so special to everyone, your family and others. Now, all your memories becomes a treasure. I have so many funny, good memories of Larry & Dorothy. Those were the good old days gone. Again, my condolences, sympathy to everyone. Carolyn Thrower
