“ Lesia was a dear childhood friend of mine. We had a lot of good memories growing up and some afterwards. My heart is broken. She will be missed by her family and friends. I love you sis, fly high no more pain no more sadness to go through. I will miss our talks you are a beautiful angel now. God Bless her mom Pat, brother Jeff and her precious Rachel she loved so much. Be with them through this difficult time. Surround your arms around them so they will find the comfort and strength to carry on without their Beautiful loved one! Amen.
