“ *So sorry for your loss, I remember Leven coming to my parents house and watching he and my dad pick and sings songs. The last time I saw Leven my two brothers and I went to visit him Marshall Medical North. He had us cracking up telling us story after story of him and our dad and his time in the military....Good times...I will miss him.*

I remember him always smiling and enjoying singing and playing his guitar. He told my siblings and me about being visited by a beautiful Angel once. It was a lovely story! I will miss him. So sorry for your loss. Wish I could be there.
