“ Very sorry to hear this news. I have many great memories of Lonnie and Patty helping me many, many years ago with a race car chasing a dream. Lonnie is someone who left a positive mark on all those he met; helping, loving and caring spirit. I regret now I didn't stay closer to him but hope to catch up soon at the other stop. My condolences to Patty, Winston and the rest of the Family. Mike Montgomery

“ *I am so blessed to have worked with Lonnie, which turned into a friendship that I will always be grateful for. He taught me so much about motorcycles and to safely push to the edge without going too far. One of my favorite memories we were discussing me purchasing a Goldwing when he said I was “to vertically challenged to ride one”. That was his way of nudging me into buying it, a decision I’ll never regret thanks to Lonnie. You are greatly missed my friend! Ride on, we’ll catch up later.*

“ *I always loved your family and am so sad that Lonnie has passed. He took the time to thank me a couple of years ago for the care given to Winston as a little one. That touched my heart that he remembered me after so many years. I will be thinking of you Patty and Winston in the days to come. Mrs. Linda*
