“ Aunt :Louise was a country girl and and she did not take crap from anyone. But she loved so very hard. I am sorry I did not get a chance to visit her when I left Alabama the last time. My heart goes out to her friends and, us, her family. Some of us were close, some not so much. But we always respected her.. I am 65 now but I remember a time when I was 17 and I was staying with Maw. Aunt Louise came down to check on Maw and I was doing laundry. She said "make sure you wash maws sheets" LOL. And, of course, I did (and was going to anyway), But she called it like she see ii and was not afraid to speak out. I love Aunt Louise in her own rightt She is a bit like me LOL
