“ I am so saddened to hear of Margie's passing. We worked together on the arsenal and shared a wonderful friendship for many years. She would come visit me at my store on Main Street, and we would catch up on old times. I am so sorry that I have not visited her lately at Park Place, but I know I will miss her as many others who knew her will. God bless you all during this hard time and know that you all are in my prayers.
