“ Mark was like an older brother to Bill and I. He could fix, fabricate, build, rig up, anything. We spent countless hours repairing worn out tractors and equipment so it could have a second life. He enjoyed taking something someone else thought was “junk” and turn it into “treasure”. He had an amazing ability to be able to remember where every piece of anything you were looking for was laying and exactly what he paid for it, 20 yrs ago! We rode bulls, horses, and tractors together and will miss him! John & Bill Reeves
