“ I am real sad to hear of Marvin Artis' passing. Many of us consider him to be a true Pine Ridge legend. I always thought of Marvin when I would see his truck in the driveway passing by on the road. I always enjoyed his great sense of humor. One time he was burning some tires at home. One of his friends asked if that would pollute the air. Marvin replied that if anything it was helping the air. I really enjoyed visiting with Madeline and Marvin. He was very pleasant to be around and talk with. He is truly going to be missed by many people. Nathan Campbell

“ Marvin was a skilled truck driver, bulldozer operator, haymaker, and machinegunner. Whatever he put his hand to, he did to the best of his ability. He taught me a lot of things about a lot of things, and I am already missing him. I am glad he and I had a chance to meet up a few weeks ago and talk on the side of Pine Ridge Road. He was in high spirits, was mentally sharp, and witty as usual. I offer my condolences to the entire Artis Family.
