“ *What do you say abo a woman that was almost perfect. Do you say that every time you talked to her that she would most of the time make you laugh over some crazy thing she had done. Mary Sue and Billy were close friends, of my parents (and me) and they were so very good to them especially when Daddy had his stroke. Both were very good cooks and knew Dad liked egg custard pies, so 1 of them baked him one and would come visit. They knew how much we loved their visits That is one thing I will miss, just picking up the phone and talking about nothing in peticular just one of our conversations . Mary Sue will be greatly missed not only by her family, but by the entire community of Hulaco. In closing, our loss is Heaven's gain. Mary Sue take your wings and fly high, but Rest in Peace for your work on earth is done. Love you always, Patricia Busbey Hulsey*
