“ *There are too many memories to just write one. She was the best at bringing everyone together under one roof and making twenty or thirty people feel at home. She loved everyone and everyone loved her, she was the glue and I'll always cherish the time I had her with her as her great-grandson and the impact she had on me as a person. She was someone who was always in high spirits, and I can't be more thankful for her. I love you, Memaw, and everyone still there - please know that I always think of you.* ”

“ Aunt Mary Ann will be missed dearly. She was my mom’s sister and best friend. They talked almost daily. At 90 and 86 years old respectively, what did they find to talk about? May we all be blessed like that. We love you Aunt Mary Ann.
